PREINDENT CONFERENCE

CSIR-Central Salt and Marine Chemicals Research Institute, Bhavnagar, Gujarat, India (CSIR-CSMCRI), is one of the network laboratories of Council of Scientific and Industrial Research.

CSIR-CSMCRI is interested in procurement of Hollow fiber module fabrication unit

The work involves:

Successful installation and demonstration of fabrication machinery with all required accessories, which will lead to production of hollow fiber modules from domestic size to large scale (8 inches diameter)

High degree of skills, precision and work facility is required to undertake the above mentioned work and therefore firms competent enough to handle such work against defined time period should apply.

In this regard, a pre-indent Conference is arranged as per details given below:

DATE	TIME	VENUE
7 th October 2020	10:30 am	Online Through MS-Team

Prospective bidders, Manufacturer, their duly authorized Indian Agent or Distributor who are exclusively authorized & who are **Class 1 or Class 2 Supplier** as per the Order No. P45021/2/2017-PP(BE-II) dated : 04th June 2020 issued by DIPP, Ministry of Commerce and Industries, who deals in such type of items having experience in Supplying, Commissioning & Maintenance of the above are invited to give their online presentation of their products, followed by discussion on equipment's suggested, client list and credentials to finalize the specifications.

Prospective bidders are requested to submit documents to prove their technical capabilities, client list, financial capabilities, experience and credentials. Bidders interested in taking part in the Pre-Indent Conference are requested to confirm their participation by sending e-mail to puyam@csmcri.res.in, vkshahi@csmcri.res.in, purchase@csmcri.res.in, spo@csmcri.res.in latest by 05/10/2020 so that meeting link can be send.
